PETITION UNDER 37 C.F.R. 1.182Office of Petitions
Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Dear Sir:

This application names Tobin Gaedke and Jon Cameron as co-inventors. A continuation application Serial No. 09/453,545 from this application has since issued as U.S. Patent No. 6,685,094 B2 which names Jon Cameron as a sole inventor. A lawsuit is pending where Tobin Gaedke is asserting his co-inventorship rights as respects U.S. Patent No. 6,685,094 B2; Robert Sek and Tobin Gaedke v. Jon Cameron and Pop! Technology LLC, Case No. 304-CV-753-B (United States District Court for the Northern District of Texas, Dallas Division).

This application is under an Office Action rejection mailed May 24, 2004. By letter dated November 19, 2004, from Mark W. Handley, attorney of record in this application, Tobin Gaedke was advised that this application would be abandoned effective November 24, 2004, for failure to respond to the May 24, 2004 Office Action (Exhibit A). By letter of November 23, 2004 by Edward Fernandes to Mark Handley, Handley was advised that Tobin Gaedke did not want this application to be abandoned and therefore Handley was asked to file a three-month

extension of time and a Request for Continued Examination on or before November 24, 2004 (Exhibit B). Handley has refused to do so saying he has instructions from Jon Cameron to not do so.

Accordingly, Tobin Gaedke asks that his power of attorney to Charles M. Cox, Registration No. 29,057, Akin Gump Strauss Hauer & Feld, 1111 Louisiana, 44th Floor, Houston, Texas 77002-5200, be accepted and the accompanying Petition and Fee for Extension of Time and Request for Continued Examination be entered in this application effective November 24, 2004 to maintain this application in a pending state.

Copies of the Petition for Extension of Time and Request for Continued Examination filed concurrently herewith are enclosed.

Respectfully submitted,

Re: Patent Application for a Thermachromic Bar Code; Application Serial No.
08/986,287, filed December 6, 1997

Dear Mr. Handley:

I am in receipt of your November 19, 2004 letter regarding your decision to not respond to an outstanding Office Action for the above-identified patent application (the "287 Application").

My clients, Tobin Gaedke and Robert Sek, each claim an interest in the 287 Application and do not wish to abandon the application. However, due to your late notice of your intention to abandon the application, my clients are unable to file a response to the Office Action by November 24, 2004 to prevent abandonment of the application.

Therefore, please file a request for three-month extension of time and request for continued examination, together with the applicable fees, by tomorrow to prevent abandonment of the 287 Application. My clients will reimburse you for your fees and expenses.

If you have questions, please call me to discuss.

Very truly yours,

Edward F. Fernandes
